WINTER TRAINING

BOYS & GIRLS AGES 4 – 15

Winter Training for 2014-2015 is back for another exciting year! After a complete sell-out, the program has expanded to include new age divisions. Winter Training will utilize the advantages of Turf City to help improve a player's overall soccer speed and ability (dribbling & passing). Each group will have a reduced player size to allow for more instruction time. Trainer/player ratio will be 1:8. Turf City is located in Wayne, NJ. It offers 2 large state-of-the-art turf fields, surrounded by walls which allows for non-stop, off-the-boards, fast paced action.

The Winter Training Program will run for 2 sessions of 6 weeks. **Team Training is available for U7-U14 Teams.**

Winter Indoor will focus on developing players in the following areas:

- * Fast Paced Dribbling
