## 17<sup>TH</sup> ANNUAL SUMMER SOCCER LEAGUE

ALL PLAYERS AGES 4 – 13 ARE WELCOME!

Come join us for another exciting season of summer league soccer! Our highly competitive Summer League is designed to keep players challenged during the summer months. For the past 17 years, we have seen numerous players use this summer league as a way to improve their skills. Many former players have moved on to play at the collegiate level, some playing on US National Youth Teams and professionally in MLS and South America.

The Summer League also serves as an opportunity for new players to join NASA and its many programs. All players are encouraged to try new positions during these competitive matches. Although the games are very competitive, ALL players are taught fair play and good sportsmanship. Our professional coaching staff will evaluate all players and invite advanced players to participate on one of the NASA United select teams.

Register online at [www.nasaunitedfutbol.com](http://www.nasaunitedfutbol.com)
